- 1.2 The Customer will obtain any permission needed, including permission for any changes to the Site.
- 1.3 The Customer and LCC will meet each other's reasonable safety and security requirements when on the Site. If the Customer or LCC damages the other's equipment it must pay for any repair or replacement needed. This does not apply where the damage results from normal use.

Delivery and Installation

- 1.4 LCC will try to supply and install the Equipment by any date agreed with the Customer, but all dates are estimates.
- 1.5 If the Customer delays or prevents the delivery or installation of the Equipment, LCC may apply reasonable additional charges and/or claim a reasonable extension to any date agreed under clause 1.4. LCC will notify the Customer in writing of any additional charges, which the Customer will pay directly to LCC.
- 1.6 The Customer is responsible for making the Site good, after any work undertaken by LCC at the Site, including putting items back and for re-decorating.

2. ACCEPTANCE

- 2.1 If LCC installs the Equipment, LCC will test it to ensure that it is ready for use. Acceptance of the Equipment by the Customer will take place on the earlier of:
(a) the date when LCC notifies the Customer that the Equipment has passed LCC 's tests and is ready for use; or
(b) the date when the Customer begins to use the Equipment.
- 2.2 If LCC does not install the Equipment, acceptance of the Equipment by the Customer will take place when the Customer takes delivery or possession of the Equipment.
- 2.3 Acceptance will not be prevented by minor faults that do not affect the Equipment's performance, but LCC will fix those minor faults within a reasonable time.

3. CUSTOMER'S OBLIGATIONS

- 3.1 Until it has paid for the Equipment, the Customer will:
- (a) keep the Equipment safe and only use it in accordance with any instructions LCC may give;
 - (b) not move the Equipment or any part of it from the Site;
 - (c) ensure that the Equipment is without risk to health;
 - (d) only use or allow the Equipment to be used for any purpose for which it is designed;
 - (e) not make any alterations or attachments to the Equipment without LCC's prior written consent. If LCC gives its consent, any alterations or attachments will become part of the Equipment;
 - (f) not sell, charge, assign, transfer or dispose of or part with possession of the Equipment or any part of it;
 - (g) not allow any lien, encumbrance or security interest over the Equipment, nor pledge the credit of LCC for the repair of the Equipment or otherwise;
 - (h) Not claim to be the owner of the Equipment and ensure that the owner of the Site will not claim ownership of the Equipment, even if the Equipment is fixed to the Site;
 - (i) indemnify LCC against all claims and proceedings arising from the Customer's use of the Equipment or if the Equipment is stolen or damaged as a result of the Customer's negligence or gross misconduct. The Customer will keep LCC informed of anything which may affect the rights of LCC, or involve LCC in any proceedings, loss or liability.

4. RISK AND OWNERSHIP

- 4.1 Where the Contract includes delivery or installation, risk passes to the Customer on delivery of the Equipment, but the Customer will not be liable for any loss or damage that is caused by LCC's negligence.
- 4.2 Where the Contract does not include delivery or installation, risk passes to the Customer when the Customer takes possession of the Equipment.

5. GUARANTEE

- 5.1 If, for 12 months (or any other period notified to the Customer by LCC in writing) from acceptance of the Equipment, LCC is notified of a fault in the Equipment which is due to faulty design, manufacture or materials, or the negligence of LCC, LCC will where necessary by arrangement with the Customer, replace or (at its option) repair the faulty part free of charge provided that:
- (a) the Equipment has been properly kept, used and maintained in accordance with the Manufacturer's or LCC's instructions, if any, and has not been modified except with LCC's written consent; or
 - (b) the fault is not due to accidental or wilful damage; interference with or maintenance of Equipment by persons other than LCC; or

- 5.2 This guarantee does not cover fair wear and tear.
- 5.3 Unless agreed otherwise by LCC in writing, where Equipment is installed by the Customer, the Customer will normally be required to return faulty Equipment to LCC (where necessary, by arrangement with the Customer), unless LCC agrees otherwise in writing.
- 5.4 If the Customer reports a fault and LCC finds there is none or that the Customer has caused the fault, LCC may apply a charge.
- 5.5 Except where the Customer relies on LCC's written advice, it is the Customer's responsibility to satisfy itself as to the suitability of Equipment for its needs.
- 5.6 LCC does not warrant that the Software supplied under the Contract will be free of all faults or that its use will be uninterrupted, but LCC will remedy those defects which significantly impair performance (where necessary by arrangement with the Customer) within a reasonable time.

- 6.7 If the Customer does not pay an invoice, LCC may instruct a debt collection agency to collect payment (including any interest) on its behalf. If LCC instructs a debt collection agency, the Customer must pay LCC an additional sum to cover the reasonable costs incurred by LCC in instructing the debt collection agency.
- 6.8 If any sum owed by the Customer to LCC under the Contract or any other contract the Customer has with LCC is not paid by the due date, LCC may deduct this sum from any payment or credit due to the Customer under the Contract or any other contract with LCC.

7. CHANGING THE CONTRACT

- 7.1 The Contract cannot be varied without the written agreement of the parties, except that LCC may make minor changes to the specification of the Equipment which do not affect the performance.
